\* Arrive 7 pm on the 31st  
Depart noon on the 3rd

"Dad's Camp was a wonderful experience. First and foremost was the opportunity to reestablish or strengthen the bond with your child. **It gave me the opportunity to refocus my life after being shown what was truly important** (children, wife). I also had the opportunity to reconnect with God and just make some new friends that share the same goals and desires - to be better dads and husbands. **Overall a great experience**".

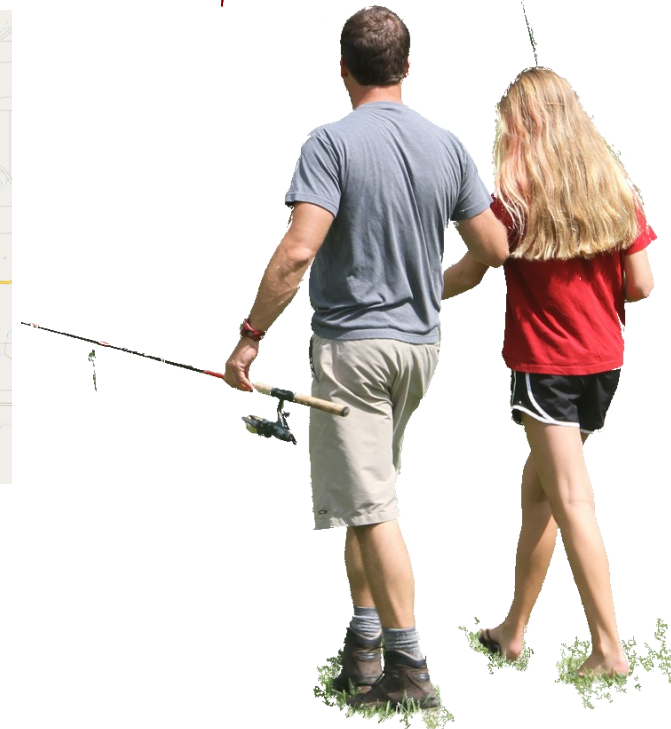

~ Ray

"Participating in the Dads Camp program was **one of the best things I have ever done as a father**. To take a period of time and be with just that one child was invaluable. The activities and discussions inspired me to continually work on being a better father and continue the good things I already do. **Thank you this great program**".

~ Travis
